

Privacy Policy

As one of our utmost concerns, BioREX recognizes personal privacy as one of the most important issue. We design, maintain and operate our website with the protection of individual privacy.

We set out examples the types of information we collect, how we may possibly share that information and whom we are sharing these information with. Information provided in this website is for illustration purposes. Some of this information should also not be considered as complete and exhaustive listing of our information collection, use and sharing practices.

Information Obtained. By registering your contact which includes your name, e-mail address, phone number, address and any other information, we utilize to respond to individual inquiries using this information you consent to the establishment of an "opt-in business relationship" between you and BioREX.

There are limitations non-personally identifying information that your browser customarily makes available whenever you visit any website on the Internet or open an e-mail collected by BioREX. This information may include your Internet Protocol address, browser type, browser language, the date and time of your access and one or more cookies that may uniquely identify your browser. We use this information on an aggregate basis, to analyze trends, gather broad demographic information and administer the site.

Information Sharing. We are also required by-law to provide information in response to subpoenas, court orders, or legal process, from law enforcement agencies or state and federal regulators. If we sell or otherwise transfer substantially all of our assets, we will contractually require such third parties to honor our current Privacy Policy, until the third party provides you with notice of changes to the Privacy Policy and permits you to exercise any nondisclosure rights you may have under applicable law.

We do not sell BioREX's inquirers's or investors's e-mail addresses to third parties. We may, however, provide selected information that we have obtained on a confidential basis to certain non-affiliated companies who are considered to be joint-venture or strategic partners, advisors, contractors or consultants with whom we contract to provide services for us. Information will be shared with such third parties only to the extent reasonably necessary, and pursuant to confidentiality obligations.

Some non-personal information maybe compiled for statistical purposes and provided to third parties. However, none of this non-personal data will include individually identifiable information.

Information Security. BioREX diligently works to insure the integrity and security of our network and systems. BioREX, however, cannot guarantee that our security measures will totally prevent third-party "hackers" from illegally obtaining access to such information.

Hyperlinks. This website may contain links to other sites. Please be aware that we at BioREX are not responsible for the privacy practices of such other sites. We encourage our users to read the privacy statements of each every website they visit via the hyperlinks and that collects personally identifiable information. This Privacy Statement applies solely to the BioREX Mannheim Privacy Policy and information collected on this website.

Changes to This Policy. At BioREX's sole discretion, this Privacy Policy may be updated with minor changes at any time. However, from time to time, the changes can be significant. In either case, we will post those changes on this page and, if the changes are significant, we will provide a more prominent notice on our website home page. The date of the last revision to our Privacy Policy appears at the end of this notice.

If you have any questions regarding our website or this Privacy Policy, please e-mail to admin@biorexmannheim.com
